

Accessing AHRMM Podcasts

Soundcloud

Accessible for Droid, Apple, PC and Mac users.

- **Droid:** Open Google Play and search for “Soundcloud”.
 - Click Install
 - Once installed, open the Soundcloud app
 - Search “AHRMM” and download and/or listen to the podcast of your choice
- **iPhone:** Open the iTunes store and search “Soundcloud”.
 - Click “Get”
 - Once installed, open the Soundcloud app
 - Search “AHRMM” and download and/or listen to the podcast of your choice
- **Mac or PC**
 - Open a browser and visit <https://soundcloud.com/>
 - Search “AHRMM” in the search box
 - Click the “AHRMM” channel
 - Click the podcast you’d like to download and/or listen to

iTunes

Accessible for Apple, PC and MAC users.

- **Apple: iPhone, iPad, and iPod:**
 - Create an account on iTunes in order to access podcasts. This requires entering a credit card. Note: All AHRMM podcasts are free
 - Once the iTunes store is open, search “AHRMM” in the upper right hand corner
 - Once you submit you will see all of the AHRMM podcasts listed
 - You can download and/or play the podcasts from this page
 - Or you can access the “AHRMM channel” by clicking AHRMM under “Podcasts”
- **PC: Any desktop that is not an Apple product**
 - You must visit <https://www.apple.com/itunes/download/> to download iTunes
 - Open iTunes on your desktop
 - Search “AHRMM” in the upper right hand corner
 - You can download and/or listen to the podcasts on this page, or you can access the “AHRMM Channel” by clicking “AHRMM” under podcasts
